Presentation to Admin-Reg Budget Sub 29 Jan 13

ODCP Quick Facts:

- Executive branch agency tasked with coordination of substance abuse prevention, treatment and drug enforcement programs in the state of Iowa.
- Manages the National Precursor Log Exchange (NPLEX) pseudoephedrine tracking system. 100% compliance of all dispensing bodies.
- Fiscal agent for D.A.R.E.
- State Administering Agency for the Byrne-Jag grant, major source of funds for multi-jurisdictional drug task forces and other anti-drug programs in the state.
- Manages 23 grants total (Bullet Proof Vest, Project Safe Neighborhood, Coverdell Forensic Science, etc.)
- Author of Annual Drug Control Strategy and leader for addressing emerging drug threats (2011 Task force on Prescription Pain Medication Abuse).

Reorganization Highlights:

- Total estimated cost savings (pushed onto grant recipients) \$311,000.00
- Reorganization of staff and MOU with DPS.
- Thorough review of storage and spacing needs went from 4,000 square feet to 2,000 square feet.
- Elimination of memberships, reduction in phone costs, sharing of printing and reduction of unnecessary expenses like leave slips (\$20 saved).
- Coordination with Midwest Counter Drug Training Center (MCTC) for assistance with Drug Endangered Children's Program (DEC).
- Coordination with Partnership for Drug Free Iowa for Drug Free Workplace Trainings.

2012 Highlights:

- Prescription Take Back events in Iowa 4400 lbs. of prescription drugs (20K Iowa Total)
- Initiated PACT 360 program (Jan Rozga)
- Staff to KY to discuss NPLEX implementation (Iowa is national leader)
- Hosted National DEC conference with 29 states sending delegations
- Led workgroup with DOM on Grant Management System (GMS) ODCP is 100% GMS.

- Successful reallocation of 100K penalty for SORNA to local law enforcement for SOR upgrades (laptops, digital cameras).
